

(b) In the event of a vacancy as specified in § 920.26, the committee shall utilize the same procedure as prescribed in § 920.122(a)(1) through (a)(5) to fill such vacancy.

[57 FR 62160, Dec. 30, 1992]

**§ 920.160 Reports.**

(a) When requested by the Kiwifruit Administrative Committee, each shipper who ships kiwifruit, except as provided in paragraph (e) of this section, shall furnish a report of shipment and inventory data to the committee no later than the fifth day of the month following such shipment, or such other later time established by the committee: *Provided*, That each shipper who ships less than 10,000 trays, or the equivalent thereof, per fiscal year and has qualified with the committee shall furnish such report of shipment and inventory data to the committee twice per fiscal year. The first report shall be due no later than January 5 and the final report no later than the fifth day of the following month after such shipment is completed for the season, or such other later times established by the committee. Such report shall show:

- (1) The reporting period;
- (2) The name and other identification of the shipper;
- (3) The number of containers by type and weight by shipment destination category;

(b) *Kiwifruit Inventory Shipping System (KISS) form.* Each handler, except such handlers that ship less than 10,000 trays, or the equivalent thereof, per season and have qualified with the committee, shall file with the committee the initial Kiwifruit Inventory Shipment System (KISS) form, which consists of three sections "KISS/Add Inventory," "KISS/Deduct Inventory," and "KISS/Shipment," on or before November 5th, or such other later time as the committee may establish. Subsequent KISS forms, including all three sections, shall be filed with the committee by the fifth day and again by the twentieth day of each calendar month, or such other later time as the committee may establish, and will contain the following information:

- (1) The beginning inventory of the handler by size and container type;

(2) The quantity of fruit the handler lost in repack and repacked into other container types;

(3) The total domestic and export shipments of the handler by size and container type; and

(4) Any other adjustments which increase or decrease posted handler inventory.

(c) *Handler report of returned fruit.* After fruit is returned to a grower, each handler shall file with the committee, no later than five days from the date the fruit is returned, or such other time as the committee may establish, a Return Receipt of Kiwifruit to Grower Form.

(d) *KISS Price/Shipment report.* Each handler who ships 100,000 or more trays, or the equivalent thereof, per season, shall file the KISS Price/Shipment report with the committee. Handlers are not required to report organic kiwifruit shipments on this report. The handler shall file the report weekly following the first week he or she makes shipments and shall continue filing reports until he or she submits a final report for the season. Each such report shall be filed with the committee no later than 5:00 p.m. (the close of business) on the Tuesday immediately following the shipping week. For the purpose of this subsection, the shipping week is defined as Sunday through Saturday. The report shall show:

- (1) The company name, contact person, and phone number of the handler;
- (2) Weekly period covered by the report;
- (3) Total fresh market shipments and gross f.o.b. sales of kiwifruit by pack style and size; and
- (4) Total fresh market shipments and gross f.o.b. sales to export markets by pack style and size.

(e) Handlers who file the KISS Price/Shipment report specified in paragraph (d) of this section are exempt from filing the shipping report specified in paragraph (a) of this section and the KISS/Shipment report specified in paragraph (b) of this section.

(f) Each handler shall file annually with the Committee an End-of-Season F.O.B. Sales Report, due within 30 days after such handler has completed current season shipments, reporting gross

**§ 920.213**

f.o.b. sales value and number of containers by pack style and size for fresh market shipments for the season. The report shall also show the company name, contact person, and phone number of the handler.

(g) Each handler shall file annually with the Committee a Final Packout Report, due within 30 days after such handler has completed current season shipments, reporting total containers shipped, by pack style for fresh market shipments, for each grower entity during the season. The report shall also include the grower entity and farm name, mailing address, the county in which the farm is located, and total acreage for each reported grower entity. Also, the report shall show the company name, contact person, and phone number of the handler.
